Middle School Class Score Detail

Class Score Detail:

Course	Teacher	Expression
Math 8 (Honors)	Ms. Smith (ms@riffsa.com)	P7-P8(2,4,6)

**Teacher Comments:**

Students in this class are learning about functions as mathematical relationships. First, they will need different activities in different regions using the books. They will have the differences between algebraic relationships and relationships with sets of points. During this unit, the key standards for students will be: the standard of the unit concept and strategies of creating and understanding. Also, the standard of modeling applications.

**Section Description:**

Due Date	Category	Assignment	Codes
02/19/2015	Summative	zorba project_1	▲
02/25/2015	Formative	Spelling test	✓

**Legend**

Grades last updated on 03/02/2015

✓ - Collected, ▲ - Late, ■ - Missing, ◆ - Score is exempt from final grade, ☹ - Assignment is not included in final grade  
 1 - This final grade may include assignments that are not yet published by the teacher. It may also be a result of [special weighting](#) used by the teacher.

The Class Score Detail page will indicate if the assignments are summative or formative. Formative assignments represent important opportunities for students to receive feedback from the teacher about their current learning performance. Summative assignments directly impact the grades we report. The Legend at the bottom shares the codes we use to report if assignments are submitted, late, missing, and so forth.

Standards Grades

By clicking on the Standards Grades tab you will see assessment results for standards covered during the current grading term. Only standards with assessment results are listed. The blue text links to a description of the standard.

## Attendance History

This screen displays the student's attendance for the current marking period.
