

## Riffa Views International School Kingdom of Bahrain

### Nursery Teacher (Part-Time) 7:30 am to 1:30 pm (70%) Job Description

The Nursery teacher provides a positive, caring environment conducive for the development of the skills, attitudes and dispositions reflected in our learner profile and supports the learning of students across all developmental areas. The Nursery teacher is a positive role model and sets an example of high moral, ethical and professional standards. The Nursery teacher is working to achieve the school's mission and goals as well as uphold the policies and procedures of Riffa Views International School. The Nursery teacher will communicate on a professional level with all RVIS stakeholders and maintain appropriate collegial relationships with the faculty, staff and administration.

#### **Essential Expectations of an RVIS Employee:**

- 1) **Mindset:** Subscribe to a mindset of agility, ambiguity tolerance, and openness to feedback, professional growth and new learning. Become comfortable with being uncomfortable because all learning requires discomfort, and we only grow when we learn and reflect. Strive to balance system coherence with individual agency.
- 2) **Compassionate Action:** A belief that every child is awesome and unique. Treats everyone in the community with kindness. Shows grace in dealing with conflict. Believes in and takes action for the greater good.
- 3) **Student Wellness:** Maintain a safe and secure environment for all children and adhere to best practices around child protection and wellness, including maintaining appropriate boundaries and dialogue when speaking to and about students.
- 4) **Professionalism:** Maintain a professional demeanor in support of RVIS and its mission in all that we do with students and our community. Acknowledge our interculturalism as representatives of RVIS within Bahrain.

#### **General Responsibilities:**

- A. The teacher will offer a comprehensive, personalized Early Childhood Education program that promotes the development of key early learning skills. The teacher will assess and report the development of these skills utilizing developmental continuums and other age appropriate assessments.
- B. In support of the RVIS promise of personalization, the teacher will develop a positive classroom culture characterized by high expectations for all students and establish a classroom environment that is safe, whereby learning is accessible to all students.
- C. The teacher will participate enthusiastically in special events throughout the year.

- D. The teacher will communicate frequently with families and successfully engage them in the learning program. Information to families about individual students will be conveyed in a culturally appropriate manner.
- E. The teacher will participate actively in professional learning and in school events and projects, and maintain positive, productive, and collaborative relationships with colleagues.
